Columbus, Ohio,
June 30, 1930.

An informal meeting of the Association of College and University Broadcasting Stations was held on this date in the Studios of Radio Station WEAO, lasting from 8:00 to 10:00 p.m.

Those present were President H. C. Higgy, Director of WEAO, Ohio State University, Joseph P. Wright, Director of WILL, University of Illinois, Ellsworth C. Dent, formerly Program Director of KFKW, University of Kansas, Carl Menzer, Director of WSUI, State University of Iowa, Earl W. Lewis, Director of KFEU, Stephens College, Columbia, Mo., Garland Powell, Program Director WRUF, University of Florida, T. M. Beaird, Director of WNAD, University of Oklahoma, J. C. Jensen, Director of WCAJ, Nebraska Wesleyan University, and B. B. Brackett, Director of KUSD, University of South Dakota, and Secretary-treasurer of the Association.

President Higgy expressed the hope that the formal meetings of July 1, 2 and 3 might result in a development of new life and real activity for the Association. He said he was sure that the traveling expenses for one representative from each active member station could be supplied to attend an annual, centrally located conference - that the place and time of such a conference might well be discussed.

He further advocated a consideration of plans to keep all the member stations actively in touch with what all other stations in the Association might be doing. To this end he suggested a monthly bulletin and the probable necessity of employing an executive secretary to carry on this work.

The original constitution of the Association was read, and it was decided that conditions had changed radically, since the organization of the Association, and that the old constitution was not well adapted to the additional activities proposed.

Various sections of the constitution were then informally discussed at length, and suggested changes proposed.

A committee to rewrite the constitution and report at a subsequent meeting was appointed. The committee was J. C. Jensen, of WCAJ, Chairman, Garland Powell, of WRUF, and T. M. Beaird, of WNAD.

It was then reported that a conference of the Governors of the States was at that time meeting in Salt Lake City, and that the question of wave channels for broadcasting was likely to be considered by this conference. J. F. Wright, of WILL, was requested by President Higgy to prepare a suitable telegram from the Association to the Governors in conference, and was requested to report this telegram to one of the meetings on the following day.

Columbus, Ohio, July 1, 1930
Night letter prepaid. Sent 5:15 p.m.

To the Governors of the Various States
in Annual Conference, Salt Lake City, Utah.

The members of the Association of College and University Broadcasting Stations, in annual meeting here respectfully call your attention to the fact that the Federal Government will have to assume through Congressional enactment some degree of responsibility if educational broadcasting is to remain under the control of schools, colleges, universities or state or national educational officials Stop Such responsibility should, in our opinion, include the reservation of channels for broadcasting stations owned and operated by the states and by colleges and universities, and also to permit such stations to use such hours and amounts of power as may be necessary in serving the purposes for

which they exist Stop We believe that proper presentation by the Governors' conference sitting as a national unit to Senators Cousens and Dill who are leaders in radio legislative thought will eventually bring about the relief necessary when the new radio bill is enacted at the next session of congress Stop We urge your cooperation.

R. C. Higgy, Director of WEAO
Ohio State University, President

B.B. Brackett, Director of KUSD
University of South Dakota, Secy-Treas

The telegram was approved by the group and was sent by the Secretary at 5:15 p.m. C.S.T.

Various individual members of the group reported having sent or promised to send telegrams to the respective presidents of their institutions, asking that these presidents wire the Conference of Governors, urging the conference to take action, demanding of Congress a suitable recognition of the real educational broadcasting that colleges and universities are now doing, and wish to continue and further develop.

After informal discussion of matters to be considered at subsequent meetings, the luncheon-meeting closed at 1:45 p.m.

President Higgy presided.

Mr. Armstrong Perry, specialist in education by radio in the Office of Education, Department of the Interior, presented most interesting facts about the Federal Radio Commission, the conditions under which it works, the so-called radio agencies, located in Washington, and many related things.

Following this, the Committee appointed to redraft the constitution submitted its report. The proposed new constitution was read, article by article, and with a few minor changes, was approved to read as follows: (See attached sheets)

The meeting then voted to approve this constitution, to go into effect after thirty days, it being understood that the change in membership dues should not become effective until the year 1931.

CONSTITUTION OF THE ASSOCIATION OF COLLEGE & UNIVERSITY BROADCASTING STATIONS

Preamble:

Believing that radio is in its very nature one of the most important factors in our national and international welfare, we, the representatives of institutions of higher learning, engaged in educational broadcasting, do associate ourselves together to promote, by mutual cooperation and united effort, the dissemination of knowledge to the end that both the technical and educational features of broadcasting may be extended to all.

Article 1

Membership:

(a) Any college or university of recognized standing may be elected to membership in this organization by approval of the Executive Committee, and a two-thirds vote of all active members of the Association, each active member being entitled to one vote.

Any institution of higher learning may become an associate member of this Association in the same manner as provided for active membership. Associate members shall have all the privileges of active membership, except that they shall not be permitted to vote or to hold office. An experimental or amateur station, owned, and operated by a recognized institution of higher learning, may be elected to associate membership.

The officers shall be a president, vice-president, secretary-treasurer, and six additional executive committeemen. One committeeman shall be selected from each of the five radio zones in the United States, and one shall be a member-at-large, for a period of one year. These officers shall be elected by a majority vote of the active members present at the annual business meeting, which shall be held at a time and place designated by the Executive Committee.

The Executive Committee is empowered to select an executive secretary, whose duties shall be defined by the Committee.

President Higgy again expressed the hope that the Association might function actively, and in the interest of all members of the group.

Considerable time was taken in informal discussion of the past activities of the Association, and in suggested methods for making the organization more generally useful to all of its members.

Since the new constitution when in effect, will call for a sixth member of the Executive Committee, and that additional member will be a committeeman at large. T. M. Beaird, of Station WNAD, University of Oklahoma, was nominated and elected to this position.

To further the desire to issue monthly or frequent bulletins of interest to all the member stations, President Higgy was authorized by a regular vote of those present to appoint some suitable person, connected with the staff of WEAO, to act as Executive Secretary to the Association in collecting, mimeographing and mailing suitable data of general interest to the members of our group.

An appeal was made to all those present to send in information regularly, and to urge other members to do likewise.

We then adjourned, with all those in attendance most hopeful and enthusiastic about the future of the Association.

DEAR FELLOW NAEBER:

THE UNDERSIGNED HAS BEEN DELEGATED, AS CHAIRMAN OF THE CONSTITUTIONAL COMMITTEE, BY THE NAEB IN CONVENTION AT ANN ARBOR, IN SESSION AT COLUMBUS, OHIO, AND BY AUTHORITY OF THE NAEB EXECUTIVE COMMITTEE, TO SUBMIT FOR ADOPTION OR REJECTION, IN WHOLE OR IN PART, PROPOSED AMENDMENTS TO THE NAEB CONSTITUTION AND BY-LAWS.

THIS IS THE OFFICIAL NOTICE OF AT LEAST 30 DAYS, BEING SIMPLY A REPETITION OF PREVIOUS NAEB ACTION. THEREFORE, YOUR BALLOT MUST BE CAST AND POSTMARKED NO LATER THAN JULY 15. IT MUST BE SIGNED AND SENT TO THE NAEB SECRETARY, BURTON PAULU, UNIVERSITY OF MINNESOTA, MINNEAPOLIS, MINNESOTA.

IN BRIEF, YOU MAY VOTE FOR RETAINING WHAT WE HAVE, OR CHANGE BY SUBSTITUTING PROPOSALS FROM THE CONSTITUTIONAL COMMITTEE. IN ONE PARTICULAR CASE, HOWEVER, YOU ARE GIVEN A SPECIFIC ALTERNATIVE. THE ALTERNATIVE IS SUBMITTED FOR ARTICLE V IN THE BY-LAWS. FOR YOUR INFORMATION, THE PROPOSAL IS BASED UPON WORK OF THE FINANCES AND DUES COMMITTEE, HEADED BY HARRY SKORNIA, AT THE ANN ARBOR CONVENTION. THE ALTERNATIVE IS BASED UPON A PROPOSAL OF THE CONSTITUTIONAL COMMITTEE.

FOR YOUR FURTHER INFORMATION, THE WRITER RAN TWO "TEST RUNS" ON WHAT INCOME FROM EACH OF THE TWO PROPOSALS WOULD BRING. IN ONE RUN AT COLUMBUS, FIGURES INDICATE PROPOSAL OF SKORNIA COMMITTEE WOULD BRING IN REVENUES TO NAEB FROM PRESENT MEMBERSHIP OF $2111.25; FROM THE ALTERNATE PROPOSAL (THE SO-CALLED SCHOOLEY REPORT), $2230. ON THE SECOND RUN, WITH REVISED DATA, THE SKORNIA PLAN PRODUCED $1950; THE SCHOOLEY PLAN, $2005. YOU CAN SEE THAT ESTIMATED TOTAL REVENUES ARE RELATIVELY THE SAME UNDER EITHER PLAN. THE REASON FOR THE TWO ESTIMATES IS THAT IT HAS BEEN DIFFICULT TO GET TRANSMITTER RATED POWER FOR THE ERP LISTINGS WITHOUT A LOT OF WORK. I BELIEVE THE TWO TEST RUNS ARE FAIR, AND ALL COME CLOSE TO THE ORIGINAL ESTIMATE OF $2000 MADE BY SKORNIA.

I SHOULD SAY THAT THE PROPOSALS MAY NOT BE THE UNANIMOUS OPINION OF OUR COMMITTEE ON ALL POINTS AND ISSUES. IT MIGHT NEVER BE SO, BUT WE CAN MAKE ADDITIONAL CHANGES LATER.

ONE OTHER THING, I'M SUGGESTING THAT YOU DO NOT CAST YOUR BALLOT BEFORE JUNE 16, IN ORDER THAT ANYONE WISHING TO COMMENT MAY SEND THEM TO YOU BEFORE YOU VOTE.

CORDIALLY,

DEAR FELLOW NAEBER:

THIS IS A PERSONAL NOTE REGARDING PROPOSED NAEB CONSTITUTION AND BY-LAWS. I TRUST YOU'LL CONSIDER IT AS SUCH, AND IN NO WAY FEEL THAT I'M TRYING TO GET AHEAD OF SOMEONE.

NOTE, THE CONSTITUTION AND BY-LAWS ARE SET UP SO WE CAN PROCEED WITH INCORPORATION, IN HOPES OF SECURING FUNDS FOR WORK IN AREAS OF PROGRAMS AND RESEARCH. THAT'S THE REASON THE CONSTITUTION AND BY-LAWS HAVE BEEN WRITTEN AS THEY ARE.

YOU SHOULD NOTE, TOO, THAT IF YOU ADOPT THE REVISED CONSTITUTION, YOU ELIMINATE ARTICLE I, SECTION (C). THAT WAS AS SPECIFIC DIRECTION OF THE ANN ARBOR CONVENTION. I SHALL VOTE FOR RETENTION.

I SHALL ALSO VOTE FOR THE ALTERNATE PROPOSAL, FOR BY-LAWS, ARTICLE V, SINCE I FAVOR A SIMPLIFIED FORM. I BELIEVE THE RATES ARE EQUITABLE, AND THE SIMPLIFIED FORM PROVIDES FOR LESS DISCRIMINATION AND FOR GREATER WORKABILITY.

THUS, HAVING WORKED OFF SOME STEAM, I SHALL VOTE FOR ALL OTHER PROPOSALS.

YOU MAY HAVE OTHER REASONS FOR VOTING AS YOU PLEASE. GLORY TO YOU.

REGARDS,
